

**Master of Science Degree Program
Sample Curriculum Schedule**

Traditional MS Program

Year	Quarter	Topic	Course Category	Instructor	Credits	
					Didactic	Research
1st Year	Fall	Sensory Processes and Perception	Core	TBA	4	0
		Ethics in Research	Seminar	TBA	2	0
		Elective	Elective	TBA	3	0
		Thesis Research	Research	Advisor	0	3
	Winter	Biostatistics	Seminar	TBA	2	0
		Elective	Elective	TBA	3	0
		Thesis Research	Research	Advisor	0	3
	Spring	Sensory Neuroscience	Core	TBA	4	0
		Teaching in the Vision Sciences	Seminar	TBA	2	0
Thesis Research		Research	Advisor	0	3	
1st Year Total					20	9
2nd Year	Summer	Thesis Research	Research	Advisor	0	12
	Fall	Thesis Research	Research	Advisor	0	12
	Winter	Thesis Research	Research	Advisor	0	12
	Spring	Thesis Research	Research	Advisor	0	12
2nd Year Total					0	48
Program Total					20	57

Notes:

Full-time graduate students in this program will serve as lab instructors and/or clinic preceptors for 16 hours per week each quarter in addition to their course work and research.

The curriculum schedule and length of the program for part-time graduate students will be determined on an individual basis.
