# GLAUCOMA 16-Hour Case Management Course W/EXAM

February 18 & 19, 2012

## GLAUCOMA PHASE II

Senate Bill 1406 was signed and became effective 1/8/11.

This didactic course has been designed to address all aspects of the requirements described in the bill relating to the 16-Hour Case Management Course with exam.

Completion of all 16 hours of this course, along with a passing grade on the exam, will count as a 15 patient credit towards the Case Management requirement of 25 patients.

For more information about SB 1406 go to: [www.optometry.ca.gov](http://www.optometry.ca.gov)
